

CHECK PLEASE ONE ACT CAST

Everyone did a phenomenal job during auditions! I was truly impressed! Health and safety are of utmost importance, so keeping a small cast size is a necessity this year. Please do not let this sway you of auditioning in the future!

Our first rehearsal will be on **Thursday, Nov. 5th after school from 2:30-4**. Please bring a binder for your script. As of now, we will only have rehearsals on Thursdays after school in the theatre. Please wear a mask and follow all social distancing protocols.

Looking forward to another fun year of One Act!
